Présentation de l'éditeur

When youre hungry, and time is tight, pasta is almost always the answer. But sometimes youd like a fresh take on its time-honoured theme. And when you want to ring the changes, you need 10,000 Pasta. The pages are split into three sections: pastas on the bottom, sauces in the middle, and toppings ... well, on the top. Flip the strips to and fro until you hit on the magical formula thats exactly what youve been looking for, whether its a stuffed pasta with a simple sauce topped off with roasted pine nuts or a bucatini with a succulent meat ragu, finished with a grating of strong pecorino. Whether you want a solo plate of comfort food or a party dish for a group, 10,000 Pasta offers both the inspiration and recipe in one simple hit. Biographie de l'auteur
Susanna Tee is the author of many cookery books covering a wide range of cuisines. She was awarded a Nestle Travel Scholarship as part of her Home Economics studies and as such has travelled Europe studying food and cookery.
