Piercing (Precursores) Ryu Murakami

A pulsating psycho-thriller from Ryu Murakami, author of *In the Miso Soup*

A renaissance man for the postmodern age, Ryu Murakami is a musician, filmmaker (*Tokyo Decadence*), TV personality, and award-winning author who has gained a cult following in the West. His first novel, *Almost Transparent Blue*, won Japan's most coveted literary prize and sold over a million copies, and his most recent psychosexual thriller, *In the Miso Soup*, gave readers a further taste of his incredibly agile imagination. In *Piercing*, Murakami, in his own unique style, explores themes of child abuse and what happens to the voiceless among us, weaving a disturbing, spare tale of two people who find each other and then are forced into hurting each other deeply because of the haunting specter of their own abuse as children.

Review

`Equally compelling and disturbing ... *Piercing* is an even darker psycho-thriller' -- *Daily Mail*

`If Ryu Murakami's short novel were a film it would be a nasty but effective B-movie chiller ... Written in a faintly ironic style reminiscent of Bret Easton Ellis, *Piercing* is queasily compulsive ... the plot delivers its shocks efficiently' -- *Financial Times*

`There are echoes here of Edgar Allan Poe and Dostoevsky - Murakami shares their fascination with the darkest layer of the soul, and the appalling isolation of the criminal. Creepy and gripping'

-- *The Times* About the Author

Ryu Murakami, musician, filmmaker, TV talk show host, and novelist, is the author of **Almost Transparent Blue, 69**, and **Coin Locker Babies**, which the **Washington Post** praised as "a knockout . . . a great big pulsating parable."
