## Monin Abricot Syrup Syrups and Cordials From Cream Supplies

In the exquisite and creative world of MONIN quality innovation versatility and service are our priorities. We are dedicated to providing our customers with the best flavours to use in the most popular and versatile applications. Our strength lies in anticipating the needs of consumers wherever they are. Only the best natural ingredients (fruits flowers spices & nuts....) are selected from all over the world to guarantee the pure consistent taste in all our products all year long. MONIN syrups are made exclusively from pure sugar which ensures optimal restitution of the flavour and respect for all other ingredients. AbricotApricot is a fruit-bearing tree native to China imported into Europe by the Romans. The fruit appears similar to a peach or nectarine with a colour ranging from yellow to orange and sometimes with a red cast. Juicy and soft apricots are high in natural sugars. The delicious taste of apricot may be blended with a very wide range of flavours. So try MONIN Apricot and discover its many possibilities! Colour: Slightly cloudy light orange. Taste: Apricot jam smell with notes of core; sweet apricot jam taste with a hint of acidity. Applications: Cocktails sodas lemonades fruit punches smoothies teas. Please note: Not compatible with steamed milk coffee or chocolate based drinks.
