Sometimes it takes a monster to catch a monster ? and that?s exactly what the in-your-face MonsterVibe Spinnerbait from Westin is designed for!

With a simple cast and retrieve you can create a whole heap of chaos under the surface that will have the big ladies fighting over who will get it first. The MonsterVibe features a weedless design making it easy to fish in heavy cover.

Westin also gave it some extra spice attaching a RingTeez CT on the trailer hook, giving it the benefits of several lure styles in one. This is one seriously tough spinnerbait that is easy to fish and brings fantastic results, so, go to the weeds and bring the big mamas out of the dark!
