Monin - Barbe à Papa Syrup - 700ml From Monin

In 1912, a 19-year-old entrepreneur named Georges Monin started out selling branded wine and spirits with a horse-drawn cart with the slogan, "A passion for quality". The company he founded has since been driven by this motto.

Quality remains a keystone in the entire production process. The finest ingredients are sourced from around the world to assure authentic taste and aroma. Plus, state-of-the-art technology is used to develop new products and applications. Always ahead of its time, Monin has created a reputation as the creative beverage.

While the origin of cotton candy is not known, we do know that cotton candy is a popular treat, often enjoyed at county fairs, circuses and similar events. Cotton candy's airy, fluffy texture and melt-in-the-mouth sensation are major factors in its flavour and popularity for kids of all ages.

Monin Cotton Candy Syrup bottles the taste and aroma of freshly spun cotton candy. Made with select ingredients and pure cane sugar, Monin Cotton Candy Syrup is a highly concentrated, authentic flavouring offering exceptional versatility for creating specialty beverages.
